

Unit 4, lyrics “Trip to London”

Last year in the summer
Me and my boyfriend
Went to London for
a nice weekend

We saw ten cathedrals,
Went to every park
And saw the river Thames
in the dark

Met new friends at the London Eye
Drank a beer then said goodbye

Next day we went shopping
and bought many things
“I love London” T-shirts
and two rings

We wanted to visit
The Tower and Madame Tussauds
Then we went to see
a West End show

I slept well at the musical
My boyfriend said it was beautiful

So I told my boyfriend
I have a new plan
Let's go back to London
Next weekend

Let's go back to London
Next weekend
