# Authentic and creative material for online teaching

Our partner *Deutschfuchs* offers digital training material that is motivating and fun. The material can be used alongside each coursebook series or on its own:

- Development of the four skills: Reading, writing, listening, speaking
- Grammar and vocabulary training, dictations and “Landeskunde”
- More than 5,000 interactive exercises and games with sample solutions
- Ready to use for levels A1 to B2
- Up-to-date and new material thanks to regular updates
- Simple learner management, real-time assessment and self-study section
- With integrated videoconference tool; also compatible with Zoom, Skype, etc.
- Translations for 21 languages, from Albanian to Vietnamese

# Teachers appreciate

- Quick lesson preparation and documentation
- Easy learner management
- Development of the four skills (reading, writing, listening, speaking) as well as media literacy
- Ease of use in face-to-face, hybrid and online-only instruction (via videoconferencing)
- Motivated learners
- Easy-to-use material for mixed-ability classes
- Constant addition of new material and functions
- **Blended learning: Strong and effective link between teaching material, e-learning and Hueber coursebooks**

From 2021:  
Grammar,  
vocabulary and  
placement tests

# Learners appreciate

From 2021:  
Video clips

- Quick progress thanks to motivating material and gamification elements
- Translations and recordings of all vocabulary and conjugations
- Everything you need to learn German, always available on your smartphone
- Flexibly switch between smartphone, tablet and PC
- Interactive exercises with sample solutions and feedback from teacher
- “Landeskunde” material offers a glimpse into everyday life in German-speaking countries
- Tailor-made authentic content for teenagers and young adults
- E-learning: Self-study section with vocabulary and conjugation training plus training modules to consolidate grammar structures

## Conjugation training

Check the tenses of all verbs learnt to date (present, past and perfect)

## Vocabulary training

Check all vocabulary learnt to date, in increasing time intervals

## Text editor

Write texts and receive corrections directly in the software

## Games

Useful games for speaking activities and vocabulary training

## Training section

Wide variety of modules with gamification elements to consolidate grammar structures

## Clear overview

Quickly filter by level or calendar week

## Personalised communication

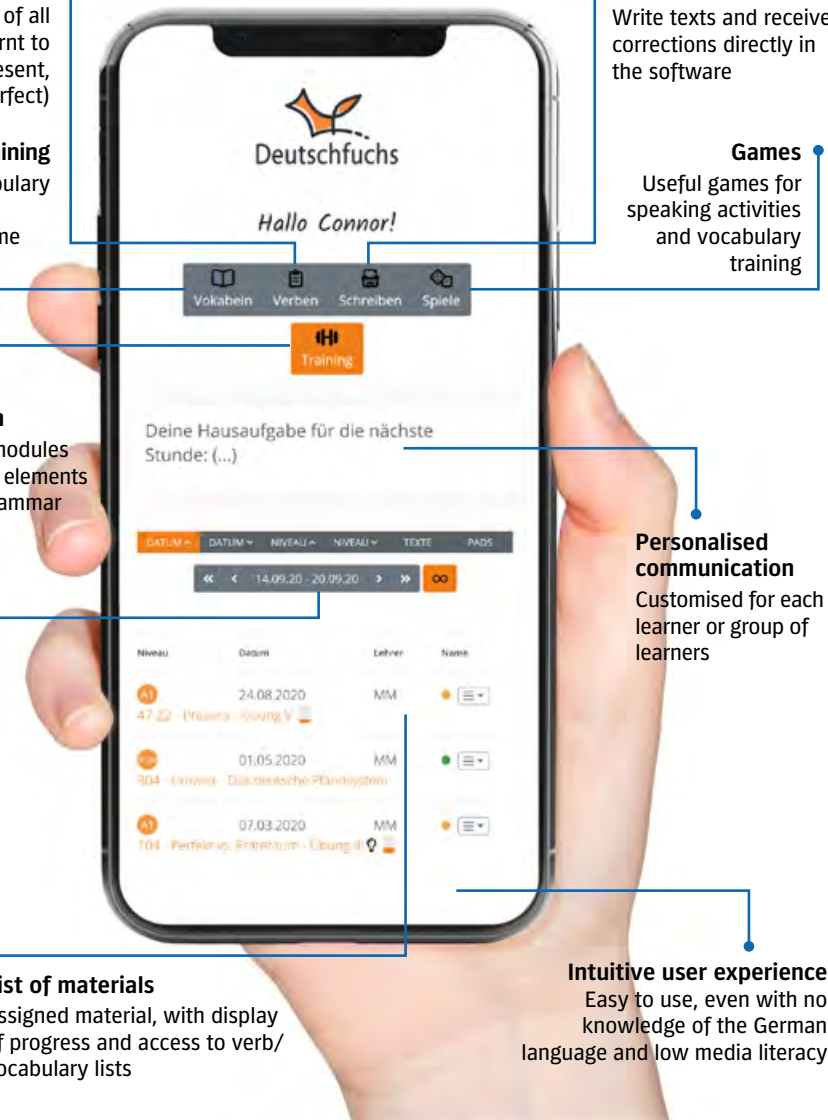

Customised for each learner or group of learners

## List of materials

Assigned material, with display of progress and access to verb/vocabulary lists

## Intuitive user experience

Easy to use, even with no knowledge of the German language and low media literacy

# Institutions appreciate

- No installation necessary
- Works in all modern browsers on PC, tablet and smartphone
- Apps for learners available in Google Play Store and Apple App Store
- Teaching material can also be downloaded as a PDF
- Multiple devices can be used thanks to constant synchronisation
- Data processing exclusively in Germany, and in compliance with GDPR
- Data centres certified through TÜV-Rheinland; 100% of the power supply for the server generated by carbon-neutral hydropower stations

# Important benefits

New material is added to *Deutschfuchs* every month, and all of these updates are free of charge for our customers. As of September 2020 the offer includes:

More than **10,000** vocabulary words

More than **1,700** verbs with conjugation patterns

More than **25,000** audio files

More than **700** exercises

More than **520** training modules (for self study)

Translations for **21** languages

Sample solutions for automated correction

The ability to monitor answers in real-time – for both individual learners and groups

# Our licence models

All models include unlimited access to all materials and functions, complete with all languages, updates and the app.
