

## Extra Listeners Worksheet 5

### Before you listen!

- 1** You're going to listen to six people talking about the film director Mark Hadley. Before you listen, discuss the films you like to see.
- What is the best film you've seen in the last year?
  - What makes a good film?
  - What kind of films do you most enjoy (comedies / action films / etc)?

### Develop your skills!

- 2** Listen to the first speaker. Tick (✓) the words or phrases that are just about the work of Pinter, those that are just about Hadley and those that are about both of them.

	just Pinter	just Hadley	both
1 genius			
2 sinister			
3 stylised			
4 enigma			
5 transparency			
6 human kindness			

#### TOP TIP!

When you have to match statements with people, remember to listen for ideas rather than specific words and phrases. The actual words the speaker uses may be different from the words in the statement.

### Exam practice!

- 3** Now listen to the complete recording. While listening, match the speakers 1–6 with the correct statements A–H. There are two statements that you should not use. Write your answers in the spaces provided. The first one has been done for you.

NOTE: This recording contains sound effects. If you want to do the task without the sound effects, please use the recording in the sound file called *Worksheet 5 Exercise 3 – audio without sound effects*.
